

Join **GreenCAPE** and Help Weed out Pesticides

Due\$ are only \$10.00

Our annual Renewal date is May 27th, Rachel Carson Day.

We depend on your generous tax-deductible contributions for the majority of our budget. Please remember—every contribution is directed toward pesticide reduction/elimination projects and informative media and materials about pesticides and alternatives to pesticides. We have NO paid staff. We are all volunteers and commit many dollars out of pocket to make up shortfalls in our projects.

Yes!! Enroll me as a member of GreenCAPE and inform me of GreenCAPE's events.
